

FOR IMMEDIATE RELEASE

MERCADOTECNIA, IDEAS Y TECNOLOGIA ("MIT") CHOOSES SMART PROCESSING SOLUTIONS' SMARTISSUERPRO™ TO LAUNCH GIFT CARD PROGRAM IN MEXICO

Toronto, Ontario, June 9, 2008, – Smart Processing Solutions Inc. ("SPS") announced today that Mercadotecnia, Ideas y Tecnologia ("MIT") of Mexico has entered into an agreement to license SmartIssuerPro™, a comprehensive card issuing and management software solution, to launch its gift card program for a selected group of clients in Mexico.

The SmartIssuerPro™ is the issuing component of the Smart Processing Suite™. With this application, Independent Sales Organizations (ISOs), Financial Institutions, Retail Organizations and Processors globally are empowered with a turn-key and highly customizable platform, to issue and manage prepaid cards, debit cards, gift cards, loyalty cards and gaming cards programs in-house.

"MIT is always looking throughout the world for the best solutions to ensure new value added services for our clients. We selected the SmartIssuerPro™ solution because of its versatility to offer a wide range of products, coupled with affordability and superior service," said Juan Carlos Viramontes Cherit, President & CEO of MIT.

"We are pleased that MIT has chosen the SmartIssuerPro™ to support their gift card issuing program. We strive to deliver flexible innovative solutions that will assist our clients to become more profitable", said Mischa Weisz, President and CEO of Smart Processing Solutions Inc. "We are very thrilled on how popular this solution has become in the market place."
